

CONFIDENTIALCOPY NO. 22N.I.A. 327 March 1946NATIONAL INTELLIGENCE AUTHORITYPOLICY ON LIQUIDATION OF THE STRATEGIC SERVICES UNIT

Report by the Director of Central Intelligence
with the unanimous concurrence of the
Intelligence Advisory Board

1. The Executive Order of 20 September 1945, referring to functions of the Office of Strategic Services which were transferred to the War Department, stated: "The Secretary of War shall, whenever he deems it compatible with the national interest, discontinue and wind up all affairs relating thereto." At a meeting of intelligence representatives held in the War Department on 8 February, it was generally agreed that an authoritative group should promptly make a study to determine which functions and facilities of the Strategic Services Unit (SSU) should be preserved for permanent peacetime purposes after the liquidation of SSU. It was further agreed that prompt decisions should be reached as to which preserved functions should be operated by C.I.G., and which by departments or existing agencies.

2. The Central Intelligence Group is preparing a separate action for the purpose of initiating a comprehensive survey of existing facilities for the collection of foreign intelligence information. However, that survey will necessarily be a long-range matter, whereas the disposition of SSU raises urgent questions which should be decided immediately. Therefore, an interdepartmental committee was formed to survey the Strategic Services Unit and make recommendations as to its immediate disposition.

5. It is therefore recommended that:

a. The National Intelligence Authority approve the draft directive in Enclosure A; and

b. Concurrently, the Secretary of War approve and issue the draft directive in Enclosure B.

6. Arrangements for a meeting of the National Intelligence Authority, at which the above recommendations may be considered, will be made by subsequent communication.

B. C.I.G. Directive No. 1

Pursuant to paragraph 1 of the letter from the President dated 22 January 1946 which designated this Authority as responsible for planning, developing and coordinating the Federal foreign intelligence activities so as to assure the most effective accomplishment of the intelligence mission related to the national security, the following policies and procedures relating to the liquidation of the Strategic Services Unit (SSU) are announced:

1. The national interest demands that the complete liquidation of SSU shall not be accomplished until it is determined which of its functions and activities are required for the permanent Federal foreign intelligence program, and should therefore be transferred to the Central Intelligence Group or other agencies in order that its useful assets may not be lost. Such determination and transfers shall be made and the liquidation of the remainder of SSU shall be completed as promptly as possible and prior to 1 July 1947. The Director of Central Intelligence shall issue the necessary directives to effect the liquidation. He will make recommendations to this Authority as to the Intelligence activities permanently required in the peace-time effort.

2. During the period of liquidation the SSU should be administered and operated so as to service, to the extent

Such funds, personnel and facilities of SSU will then be transferred to an appropriate War Department unit. The Director of Central Intelligence will be responsible for making the necessary administrative arrangements and for issuing the necessary directives to the Director of SSU.

4. The War Department will take the necessary budgetary action to carry out this program.
